

Training in Forensic Evidence for High Judicial Council

EUPOL COPPS implemented the second seminar on the judicial evaluation of forensic evidence for 40 Palestinian judges under the auspices of the High Judicial Council and the Palestinian Judicial Institute in Ramallah during the last week of July.

EUPOL COPPS participates in second workshop between PCP Committee for Investigations into Human Rights and ICHR

On 26th July, EUPOL COPPS participated in the second workshop between the Independent Commission for Human Rights (ICHR) and the Palestinian Civil Police's Committee for Investigations into Human Rights. EUPOL COPPS continues to facilitate and coordinate better cooperation and interaction between the PCP and ICHR, particularly in the compilation and investigation of citizen's complaints against the PCP.

EUPOL COPPS participates in the First Police Children Summer Camp

EUPOL COPPS participated in the closing ceremony of the first Police Children Summer Camp on 20th July. This innovative summer camp brought together 67 children that took part in a large number of educational sport and cultural activities organized by the Palestinian Civil Police (PCP) and the Municipality of Qalqilia.

Drafting the National Plan for Juvenile Justice

EUPOL COPPS and the European Union Representative Office in East Jerusalem participated in a workshop organised by the Palestinian Ministry of Social Affairs on July 13th. The aim of the seminar was to set the foundations of a National Plan for Juvenile Justice, following up on a Memorandum of Understanding (MoU) that was signed last November by the Ministry of Social Affairs, the former European Commission Delegation and EUPOL COPPS.

Rule of Law Information Seminar

EUPOL COPPS' Rule of Law section hosted an information seminar on all the section's activities that brought together representatives from its local counterparts – Ministry of Justice, Attorney General's Office, High Judicial Council, Bar Association – and also representatives from the EU's Member States as well as from the international donor community at large on 1st July.

EUPOL COPPS completes Public Awareness Campaign in Balata Camp

EUPOL COPPS completed a project with juveniles in Balata refugee camp in Nablus. The aim of this comprehensive project – involving all fields of EUPOL COPPS' activities: Police, Rule of Law, Human Rights – was to raise awareness and to improve confidence and trust in the Rule of Law including the justice system and the Police among members of the community.
